Happy, Healthy People

Wigan Borough’s Locality Plan (2020-25)

The NHS and Wigan Council have a plan to improve health and social care services over the next 5 years.

Our Vision

We will work together through the Healthier Wigan Partnership.

We will help you look after your health and wellbeing.

We will improve services.
By 2025 we will:

1. • Support people to be well.  
   • Help people to look after their health and wellbeing.

2. • Make services easier to access.  
   • Use more digital (online) technology.  
   • Have more services in the community.  
   • Keep hospitals for those who need them most.

3. • Worth together to deliver services.  
   • Services that are safe.  
   • Services we can afford.  
   • Services that are good.
Our Borough

Some facts about the Borough

324,700 residents

327,000 registered GP patients

65% of residents are working age

23% have a long term condition

We have 34,000 carers

7,000 helped by adult social care

97.3% of the Borough are white

29% live in the 20% most deprived areas in the country
Our 7 Places

Services will work in 7 places. (on the map).

Every area is different.

We will find out what people in each area need.

58,125 residents

30,156 residents

60,964 residents

50,346 residents

56,636 residents

42,437 residents

29,029 residents
There are 30,000 – 50,000 people living in each place.

The following services will work together better in each place:
- GP practices
- Community Services
- Social Services
- Start Well
- Mental Health

Other services like the police and leisure are involved.
Transforming the whole system

Over the next 5 years we will improve these services.

Starting Life Well
