experiences on
the maternity
ward

On the 2nd October 2018 we held our 2nd Maternity engagement event. We were so pleased with the attendance, some new and some returning mums and babies!

WIGAN BOROUGH

Maternity Voices

Working in partnership to improve maternity services

- Crèche facilities provided
- Informal session
- The group received a brief update on the work that had been done to improve services based on their feedback at the last event – “You Said, We Listened”
- The group split into two for the engagement session to discuss their experiences on the ward

What improvements would you make to the Maternity Ward?

“Introduction to the ward” booklet

Excellent service, very happy

Information as we get into the ward – what medication I’m on and plan of care

More entertainment and refreshments – e.g. lounge with vending machine, TV, kettle etc. so that you can get out of the bay and also for dads/partners

More information on what will happen when on the ward

Better communication once at the maternity unit about what will happen to mum

More education displays on the Maternity Ward relating to Breastfeeding

The group had ideas on how things could be improved...

Not being moved during induction process

More staff - Midwives and Health Care Assistants

Better discharge planning

A handbook for neonatal for parents and a 'how to guide'

When midwives finish a shift and a hand over is given this should involve mum

A tour beforehand

Visiting hours – really struggled waiting for partner

More information and better communication

Thank you to everyone who attended the event.
